## Pet Adventure

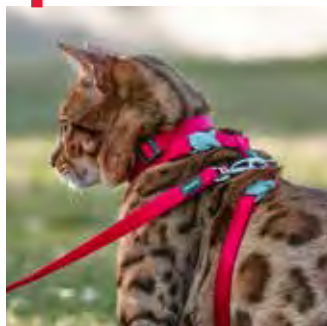

Since 2002, Red Dingo's purpose has been to develop quality pet accessories designed to outlast pet adventures.

Durability, function and design are at the forefront of our product innovation process and we continually make enhancements based on feedback from pet owners.

Whether it's walking to the park, a run on the beach or navigating through forests, we are committed to improving pet companionship by making it easier, better and even more rewarding.

# Bucklebone Collars

Our adjustable Bucklebone Collars are iconic in the industry, known for quality and durability. The Bucklebone clip has been developed to ensure there is no stronger side-release buckle on the market. Our premium abrasion-resistant webbing is super durable and the welded stainless steel D-ring will not rust or corrode.

# DURABLES Ball Range

Made from our super-durable fabric, Red Dingo DURABLES are now available as 6 Safari-themed balls. With a memory-foam ball inside, our fabric toys are not only durable, but also soft and satisfying for dogs to catch. Added crinkle film provides an interesting sound to keep them engaged. Squeaker-free and suitable for indoor play.

These toys are not indestructible and therefore are not intended as a chew toy.
