

Multipurpose Lead Fact Sheet

FEATURES

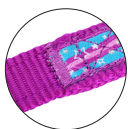

Webbing - Premium nylon webbing, woven from quality fine yarn for a softer feel. Densely woven edges for maximum abrasion resistance. Exceeds ISO standards 105-C03 & 105-B05 for washing and UV colour fastness.

D-Rings - Fully welded from solid stainless steel.

Design Ribbon - Special weaving techniques, including 'back binding', prevents loose threads and produces a durable, abrasion resistant ribbon. To enhance lustre and brightness of colours, only full light yarn is used.

Splice Cuts - All webbing ends are cut on a 20° angle for reduced irritation and increased pet comfort. Produces a superior looking, higher quality product.

Lead Clip - Interchangeable lead clips featuring patented 'lug and plug system' - allows pet owners to match their dogs personality to a unique character clip. Red Dingo clips are engineered to be amongst the strongest in the pet industry.

Reflective Ribbon
Designed to ensure pets are visible in bad weather and at night, ribbon shines brightly in car headlights.

Long lead 1.7m

Medium lead 1.25m

Short lead 1.05m

Shoulder lead
